“The eyes of the Lord are on the righteous, and His ears are open to their prayers.”

GOD HEARD YOUR PRAYERS AS YOU INTERCEDED ON OUR BEHALF

I got a report from my Oncologist and there are no signs of cancer. He said, *“Dodson you are cancer free”.*

January India Ministry

I was surprisingly presented with an honorary doctorate for ten years of teaching at the Seminary. My greatest joy was seeing so many men and women graduating. Also, to see men in pastoral ministry or church planting, & women having a desire to help other women in difficult situations.

While I was receiving cancer treatments, I asked the Lord how I could still be used to carry out the Great Commission nationally and internationally. Praise God for technology that even though we cannot physically go, we can use technologically to still minister. I used Zoom to teach over 50 students in India for ten weeks after graduation. Praise God for the technology we can use to continue to spread the gospel throughout the world and to perfect the saints!

In April of 2024 the College of Biblical Studies Had their Graduation – Below are the graduates.

Thanks to all of you who helped purchase bibles for the graduates below in Uganda & Kenya (E. Africa)

The two men above were some of my students that have been studying for years. They are celebrating, one is a deacon & the other is his pastor. We praise God for what he is doing in East Africa!

On the left above, we have just finished up another module at The College of Biblical studies here in Indianapolis, IN. They are a wonderful group of students with a strong desire to enhance the kingdom of God.

Our passion since we started ten years ago has been global missions, but we have never lost our burden for urban multiethnic mission in the USA & God has opened the doors in both Africa, India, and the USA. It has been a joy to equip pastors, church leaders and families for the work of the ministry.
